## Workshop on Systematic Voters' Education and Electoral Participation (SVEEP)

organized by

**The Department of Political Science in collaboration with the Electoral  
Registration Officers (EROs)**

A Workshop on Systematic Voters' Education and Electoral Participation (SVEEP) was organized by the Department of Political Science in collaboration with the Electoral Registration Officers (EROs) on March 7, 2024 at 1.30 pm. The workshop was organized in hybrid mode. The aim of the Workshop was educating young voters regarding their voting rights and the several procedures involved including registering names on the electoral rolls, effecting change in address through online mode and casting their votes through EVMs. The Workshop was conducted in active collaboration with the Block Development Officer, Goghat2, with the Jt BDO and OC election, Goghat 2, as the main resource persons. The programme saw a participation of about 40 students, all of them first time voters, both offline and online.
