### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

SRS Vidya Mahapitha is a constituent college of The University of Burdwan, and such follows the syllabus set by the parent university. Within these established academic structures, our college attempts to innovate curricular planning and implements effective curriculum delivery providing holistic development for its students. The following are our innovative curricular planning. Academic processes are streamlined with the help of University Academic Schedules issued every year, College Academic Plans, Semester wise class routines, Teaching modules and regular assessments of the students. We also conduct Orientation Programs providing awareness about faculty, course curriculum and pattern of examination for each fresh batch of students. The 2020-2021 session has seen the scourge of Covid 19 where online conduct of meetings and classes have been institutionalised through online platforms like Google Meet, Zoom and also Webex following the online class routines. The smooth conduct of all academic activities based on the university curriculum is ensured by the Academic Committee of the College. The academic committee has endorsed the conduct of all classes online as also conduct of internal assessments for the students in MCQ mode by Google form. Power point presentations are used to make the classes

more interesting for the students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar of the College is prepared at the beginning of every academic session. The Calendar provides the students with an idea of tentative time schedule of the internal and Semester-end examinations, NSS awareness programmes, NCC programmes, annual sports, cultural competition events etc. However, the Academic Calendar for the Covid period essentially served as a schedule for important events that were mandated to be observed online.

Continuous Internal Evaluation Process: Internal evaluation in the institution is transparent and robust which includes advanced mentoring, academic calendar, Grievance Redressal, uploading the internal marks in the university portal. CIE includes the following :

1. Time table: Schedule for internal examinations is communicated to the students well in advance.

2. Syllabus: The syllabus for the internal examination is also communicated to the students in the classroom by subject teacher one week in advance.

3. Setting of question papers: The subject faculty set the question paper keeping the syllabi and University examination pattern in consideration. Question papers are submitted for typing much before the commencement of the internal assessments.

4. Communication of IA marks: Internal Assessment answer scripts are discussed with the students to identify the weak points. The marks are uploaded to the university portal.

**1.3 - Curriculum Enrichment**

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The College implements the core course curriculum designed by the parent university, University of Burdwan. The College, however, has taken several initiatives to inculcate human values and professional ethics as also sensitivity towards environmental issues amongst all categories of students. Some of the key initiatives taken by the Institution are:

1. Teachers conduct class orientation programmes not only as an exercise for familiarising the course curriculum but also to build up a bond between teachers and students, creating an environment of warmth and cooperation, the basic institutional value. This entire exercise was conducted online due to the surge in Covid19.

2. Despite the rage of Covid, the Institution's NCC unit actively carried out humanitarian services like spreading awareness about sanitisation and regarding various precautions to be adhered for Covid and distributing masks free of cost.

The surge of Covid plugged several of the other value orientation programmes undertaken by the College. But it failed to dampen the spirit of enthusiasm and participation amongst the students that could be effectively witnessed in the students' participation in observable days, be it the programmes on Independence Day, Republic Day, National Youth Day, International Yoga Day and several such occasions, many of them were conducted online.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The College adopts a sustained mechanism for identifying and supporting slow and advanced learners from amongst the students.

**Identification of Advanced and Slow learners:** To identify advanced and slow learners, teachers conduct student interaction programmes in each department. The students are introduced with teaching-learning and evaluation program, college discipline, various academic and other schemes along with development and achievements of the college, students' support services. The slow and advanced learners are identified amongst the students through class-room discussion, question and answer method, by considering their subject knowledge and previous year's performance, To enhance the performance of the slow learners, department teachers often take personalized care of such students. Extra coaching is provided in respective subjects. Class tests are conducted based on previous year question papers. Problem solving sessions and additional tutorials are conducted for such students, The major objective of this program is to make them competent and self confident to face the exams and reduce the drop out ratio.

**Support to advanced learners:** The students are motivated to read

advanced reference books, by providing additional library facilities from departmental libraries. They are given special guidance to perform better in the future.

Study materials are also provided on College website.

## 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

For enhancing learning experiences the faculty members adopt many ways, for example, lecture method, interactive method, project and field work method, computer-assisted method, experiment method etc. Teaching and learning activities are made effective by these practices. Many teachers use the conventional black-board presentation methods

ICT based learning: The academic session during the Covid period used online platforms like Google Meet, Zoom and the like to conduct online classes. All these platforms are interactive and students could freely voice their thoughts and conceptions over these platforms. Teachers also used power point presentations and computer-based study materials to make their lectures effective. Ample opportunities were provided to students to engage in online student seminars, interactive assessment programmes. The institution has adopted modern pedagogy to enhance teaching-learning process. Even

during the trying times of Covid, teachers and students have engaged actively in intense classroom discussions.

**Student Seminars:** The Student seminars are organized where in the papers are presented by students on contemporary topics to enrich their learning experience.

**Group Learning Method:** Group Learning method is now being adopted through whatsapp groups. Students share their notes and study material through this method.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT tools empower both teachers and learners. They transform the teaching and learning processes from being highly teacher-dominated to becoming student-centric and this transformation results in increased learning gains for students, creating and allowing for opportunities for learners.

**Online platforms:** The teachers of the College employ ICT tools such as power point presentations to make the lectures more interesting to the students. The College has set up smart classroom that employ ICT tools like LCD projector, white screen and board, sound system, Therequisite softwares are used to introduce innovative teaching in classes. The classes have been scheduled through online classroom platforms mainly Zoom and Google Meet with the help of a regular class routine. Study materials are uploaded on the College website and the several subject specific WhatsApp groups. Internal assessments of the College and the final University examination was conducted online and assessments were provided through the College email and notified on the College website.

**LMS for library access:** The teachers encourage the students to use LMS for accessing relevant books and references.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The College tries to maintain transparency in internal assessment. In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. Students who are admitted to the concerned course are assessed continuously through various evaluation processes in the college.

Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visit / Field Work and Seminar Presentations. Internal assessment tests are conducted regularly as per the schedule given in the academic calendar. Personal guidance is given to the poor performing students after their assessment.

For transparent and robust internal assessment, the College has institutionalised the following mechanisms:

- Internal Examinations are conducted by the Academic Committee that has representation from all the Departments
- Question Paper Setting

- Conduct of Examination.
- Timely submission of marks
- Interaction with students regarding their internal assesement..

During this session the internal assessments were done through online mode in Google Forms and online students' seminars. The assessments were conducted at frequent intervals to keep the students actively engaged in their academic work. Online students seminars were conducted to not only familiarise the students with the digital mode of presentation but also to provide an easy access to effective evaluation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Internal Examination related grievances are dealt with at the institutional level.

Departmental initiatives: The faculty members inform the students at the beginning of the session about the components and pattern of internal examinations. These follow the broad guidelines of the University examinations.

Assessment within time frame: The internal examinations are conducted within the specifies time frame schedule provided in the academic calendar. The answer scripts are timely evaluated and the marks displayed to the students.

Well structured process: The process is well structured, time bound and transparent. In the event of grievances, the students are given ample opportunities to discuss with their departmental faculties and corresponding efforts are made by the concerned teachers to effectively redress such grievances.

Due to the occurrence of Covid19 there were no internal examination related grievances as the online mode of examination through Google Form was transparent and effective.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The details of the Course Programmes are framed according to the stated curriculum programmes of the affiliated University. SRSVM is affiliated to the University of Burdwan and the Programmes and courses under the Programmes are decided by the BOS of the University. The College has very little autonomy to frame Programmes and related courses. However, the College makes optimum utilization of resources within the scope for limited maneuverability to imbibe the students with skills on communication, presentation and effective delivery in competitive examinations. The mission and vision of the College is in sync with the basic criterion of equipping the students to face the challenges in real time with confidence. Every Department of the College is provided with a hard copy of the syllabus that is deliberated upon in the student teacher meetings to evaluate the course outcomes of the topics. Students are also made aware of possible outcomes upon finishing the course.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The faculty records the performance of each student with the help of the specified course outcomes through a continuous evaluation process. Some of the key indicators of measuring attainment are:

1. End Semester University Examination: the students are required to take examinations as per the semester and annual pattern set by the university, through which the institution measures programme outcomes based on the course attainment level fixed by the

programme.

**2. Internal Assessment:** The students are given assignments, class tests and students' seminars which are designed in alignment with Programme Outcomes of the respective subject.

**3. Practical Assessment/ External Assessment:** It is evaluated by inviting external experts appointed by the university to evaluate each student by conducting Practical examinations.

The attainment of programme outcomes and course outcomes are judged by the benchmark of students progressing into higher education. A number of our students enter into the PG courses after successful completion of their undergraduate degree courses. Some of them achieve successes in clearing JAM, GATE, SET, NET. The students of the Institution also pursue professional courses like law, BEd. Some enter in to the defence forces as also police and administrative jobs.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The session 2020-2021 was an extraordinary session due to the rage of Covid. During this period, despite the precarious conditions, the Institute could adhere to two of its institutional values; 1. Instil the basic values and ethics required to enable the development of a holistic personality and leadership qualities; 2. Uphold the mission of the Institution in creating the bond between the students of the Institution and the community at large.

During this period the two practices undertaken by the Institute that can be termed as Best Practices were: 1. Mask distribution and awareness campaigns by our NCC students. The NCC unit of the College regularly engages in several social awareness services and the Covid period was no exception for them. Our students from the NCC unit, maintaining physical distance, delivered on field services to the poor and ignorant masses in the surrounding community. They also engaged in spreading awareness amongst the people on the various precautionary measures to be taken during Covid. The move was highly appreciated and received media coverage. Students should actively engage themselves and build leadership qualities. The HEI had set a unique example of being one to pioneer these community services during such extraordinary circumstances.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Sri Ramkrishna Sarada Vidya Mahapitha offers a legacy of quality education to a remote location in rural West Bengal. The Institution has been a pivot in spreading the wings of higher education amongst the young minds, many of whom belong to the most disadvantaged social and economic sections of the community. In the year 2020-2021, the percentage of reserve category students was 50% of the total intake capacity. The Institution provides quality education with the lowest fee structure among the colleges in the vicinity. The Institution provides the most conducive environment for educating the young girls of the surrounding blocks. This was also the vision of the luminary who founded the College, Sri Bimalakanta Mukherjee. The attainment of this vision is amply reflected in the percentage of female students among the admitted students in the said academic year, that is 57%.

The College tries to strike an effective balance between academics and holistic development of the students' personalities. The Covid disruption, notwithstanding, the College has been actively engaged in organising workshops and seminars for orienting the students in augmenting their analytical and technical skills. These ICT exposures have become a hallmark of the Institution's path to academic prowess and excellence.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

SRS Vidya Mahapitha is a constituent college of The University of Burdwan, and such follows the syllabus set by the parent university. Within these established academic structures, our college attempts to innovate curricular planning and implements effective curriculum delivery providing holistic development for its students. The following are our innovative curricular planning. Academic processes are streamlined with the help of University Academic Schedules issued every year, College Academic Plans, Semester wise class routines, Teaching modules and regular assessments of the students. We also conduct Orientation Programs providing awareness about faculty, course curriculum and pattern of examination for each fresh batch of students. The 2020-2021 session has seen the scourge of Covid 19 where online conduct of meetings and classes have been institutionalised through online platforms like Google Meet, Zoom and also Webex following the online class routines . The smooth conduct of all academic activities based on the university curriculum is ensured by the Academic Committee of the College. The academic committee has endorsed the conduct of all classes online as also conduct of internal assessments for the students in MCQ mode by Google form. Power point presentations are used to make the classes more interesting for the students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar of the College is prepared at the beginning of every academic session. The Calendar provides the students with an idea of tentative time schedule of the internal and

Semester-end examinations, NSS awareness programmes, NCC programmes, annual sports, cultural competition events etc. However, the Academic Calendar for the Covid period essentially served as a schedule for important events that were mandated to be observed online.

**Continuous Internal Evaluation Process:** Internal evaluation in the institution is transparent and robust which includes advanced mentoring, academic calendar, Grievance Redressal, uploading the internal marks in the university portal. CIE includes the following :

1. **Time table:** Schedule for internal examinations is communicated to the students well in advance.

2. **Syllabus:** The syllabus for the internal examination is also communicated to the students in the classroom by subject teacher one week in advance.

3. **Setting of question papers:** The subject faculty set the question paper keeping the syllabi and University examination pattern in consideration. Question papers are submitted for typing much before the commencement of the internal assessments.

4. **Communication of IA marks:** Internal Assessment answer scripts are discussed with the students to identify the weak points. The marks are uploaded to the university portal.

**1.3 - Curriculum Enrichment**

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The College implements the core course curriculum designed by the parent university, University of Burdwan. The College, however, has taken several initiatives to inculcate human values and professional ethics as also sensitivity towards environmental issues amongst all categories of students. Some of the key initiatives taken by the Institution are:

1. Teachers conduct class orientation programmes not only as an exercise for familiarising the course curriculum but also to build up a bond between teachers and students, creating an environment of warmth and cooperation, the basic institutional value. This entire exercise was conducted online due to the surge in Covid19.

2. Despite the rage of Covid, the Institution's NCC unit actively carried out humanitarian services like spreading awareness about sanitisation and regarding various precautions to be adhered for Covid and distributing masks free of cost.

The surge of Covid plugged several of the other value orientation programmes undertaken by the College. But it failed to dampen the spirit of enthusiasm and participation amongst the students that could be effectively witnessed in the students' participation in observable days, be it the programmes on Independence Day, Republic Day, National Youth Day, International Yoga Day and several such occasions, many of them were conducted online.

**2.2 - Catering to Student Diversity**

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The College adopts a sustained mechanism for identifying and supporting slow and advanced learners from amongst the students.

**Identification of Advanced and Slow learners:** To identify advanced and slow learners, teachers conduct student interaction programmes in each department. The students are introduced with teaching-learning and evaluation program, college discipline, various academic and other schemes along with development and achievements of the college, students' support services. The slow and advanced learners are identified amongst the students through class-room discussion, question and answer method, by considering their subject knowledge and previous year's performance, To enhance the performance of the slow learners, department teachers often take personalized care of such students. Extra coaching is provided in respective subjects. Class tests are conducted based on previous year question papers. Problem solving sessions and additional tutorials are conducted for such students, The major objective of this program is to make them competent and self confident to face the exams and reduce the drop out ratio.

**Support to advanced learners:** The students are motivated to read advanced reference books, by providing additional library facilities from departmental libraries. They are given special guidance to perform better in the future.

Study materials are also provided on College website.

### 2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

For enhancing learning experiences the faculty members adopt many ways, for example, lecture method, interactive method, project and field work method, computer-assisted method, experiment method etc. Teaching and learning activities are made effective by these practices. Many teachers use the conventional black-board presentation methods

ICT based learning: The academic session during the Covid period used online platforms like Google Meet, Zoom and the like to conduct online classes. All these platforms are interactive and students could freely voice their thoughts and conceptions over these platforms. Teachers also used power point presentations and computer-based study materials to make their lectures effective. Ample opportunities were provided to students to engage in online student seminars, interactive assessment programmes. The institution has adopted modern pedagogy to enhance teaching-learning process. Even during the trying times of Covid, teachers and students have engaged actively in intense classroom discussions.

Student Seminars: The Student seminars are organized where in the papers are presented by students on contemporary topics to enrich their learning experience.

**Group Learning Method:** Group Learning method is now being adopted through whatsapp groups. Students share their notes and study material through this method.

**2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words**

ICT tools empower both teachers and learners. They transform the teaching and learning processes from being highly teacher-dominated to becoming student-centric and this transformation results in increased learning gains for students, creating and allowing for opportunities for learners.

**Online platforms:** The teachers of the College employ ICT tools such as power point presentations to make the lectures more interesting to the students. The College has set up smart classroom that employ ICT tools like LCD projector, white screen and board, sound system, Therequisite softwares are used to introduce innovative teaching in classes. The classes have been scheduled through online classroom platforms mainly Zoom and Google Meet with the help of a regular class routine. Study materials are uploaded on the College website and the several subject specific WhatsApp groups. Internal assessments of the College and the final University examination was conducted online and assessments were provided through the College email and notified on the College website.

**LMS for library access:** The teachers encourage the students to use LMS for accessing relevant books and references.

### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The College tries to maintain transparency in internal assessment. In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. Students who are admitted to the concerned course are assessed continuously through various evaluation processes in the college.

Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visit / Field Work and Seminar Presentations. Internal assessment tests are conducted regularly as per the schedule given in the academic calendar. Personal guidance is given to the poor performing students after their assessment.

For transparent and robust internal assessment, the College has institutionalised the following mechanisms:

- Internal Examinations are conducted by the Academic Committee that has representation from all the Departments
- Question Paper Setting
- Conduct of Examination.
- Timely submission of marks
- Interaction with students regarding their internal assesement..

During this session the internal assessments were done through

online mode in Google Forms and online students' seminars. The assessments were conducted at frequent intervals to keep the students actively engaged in their academic work. Online students seminars were conducted to not only familiarise the students with the digital mode of presentation but also to provide an easy access to effective evaluation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Internal Examination related grievances are dealt with at the institutional level.

Departmental initiatives: The faculty members inform the students at the beginning of the session about the components and pattern of internal examinations. These follow the broad guidelines of the University examinations.

Assessment within time frame: The internal examinations are conducted within the specifies time frame schedule provided in the academic calendar. The answer scripts are timely evaluated and the marks displayed to the students.

Well structured process: The process is well structured, time bound and transparent. In the event of grievances, the students are given ample opportunities to discuss with their departmental faculties and corresponding efforts are made by the concerned teachers to effectively redress such grievances.

Due to the occurrence of Covid19 there were no internal examination related grievances as the online mode of examination through Google Form was transparent and effective.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The details of the Course Programmes are framed according to the stated curriculum programmes of the affiliated University. SRSVM is affiliated to the University of Burdwan and the Programmes and courses under the Programmes are decided by the BOS of the University. The College has very little autonomy to frame Programmes and related courses. However, the College makes optimum utilization of resources within the scope for limited maneuverability to imbibe the students with skills on communication, presentation and effective delivery in competitive examinations. The mission and vision of the College is in sync with the basic criterion of equipping the students to face the challenges in real time with confidence. Every Department of the College is provided with a hard copy of the syllabus that is deliberated upon in the student teacher meetings to evaluate the course outcomes of the topics. Students are also made aware of possible outcomes upon finishing the course.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The faculty records the performance of each student with the help of the specified course outcomes through a continuous evaluation process. Some of the key indicators of measuring attainment are:

1. End Semester University Examination: the students are required to take examinations as per the semester and annual pattern set by the university, through which the institution measures programme outcomes based on the course attainment level fixed by the programme.

2. Internal Assessment: The students are given assignments, class tests and students' seminars which are designed in alignment with

Programme Outcomes of the respective subject.

3. Practical Assessment/ External Assessment: It is evaluated by inviting external experts appointed by the university to evaluate each student by conducting Practical examinations.

The attainment of programme outcomes and course outcomes are judged by the benchmark of students progressing into higher education. A number of our students enter into the PG courses after successful completion of their undergraduate degree courses. Some of them achieve successes in clearing JAM, GATE, SET, NET. The students of the Institution also pursue professional courses like law, BEd. Some enter in to the defence forces as also police and administrative jobs.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The session 2020-2021 was an extraordinary session due to the rage of Covid. During this period, despite the precarious conditions, the Institute could adhere to two of its

institutional values; 1. Instil the basic values and ethics required to enable the development of a holistic personality and leadership qualities; 2. Uphold the mission of the Institution in creating the bond between the students of the Institution and the community at large.

During this period the two practices undertaken by the Institute that can be termed as Best Practices were: 1. Mask distribution and awareness campaigns by our NCC students. The NCC unit of the College regularly engages in several social awareness services and the Covid period was no exception for them. Our students from the NCC unit, maintaining physical distance, delivered on field services to the poor and ignorant masses in the surrounding community. They also engaged in spreading awareness amongst the people on the various precautionary measures to be taken during Covid. The move was highly appreciated and received media coverage. Students should actively engage themselves and build leadership qualities. The HEI had set a unique example of being one to pioneer these community services during such extraordinary circumstances.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Sri Ramkrishna Sarada Vidya Mahapitha offers a legacy of quality education to a remote location in rural West Bengal. The Institution has been a pivot in spreading the wings of higher education amongst the young minds, many of whom belong to the most disadvantaged social and economic sections of the community. In the year 2020-2021, the percentage of reserve category students was 50% of the total intake capacity. The Institution provides quality education with the lowest fee structure among the colleges in the vicinity. The Institution provides the most conducive environment for educating the young girls of the surrounding blocks. This was also the vision of the luminary who founded the College, Sri Bimalakanta Mukherjee. The attainment of this vision is amply reflected in the percentage of female

students among the admitted students in the said academic year, that is 57%.

The College tries to strike an effective balance between academics and holistic development of the students' personalities. The Covid disruption, notwithstanding, the College has been actively engaged in organising workshops and seminars for orienting the students in augmenting their analytical and technical skills. These ICT exposures have become a hallmark of the Institution's path to academic prowess and excellence.

### 7.3.2 - Plan of action for the next academic year

The Plan of Action for the next academic year is attuned to the guidelines provided by the NAAC Peer team post visit to the Institution. Some of the key areas that the Institution has identified as focus points are:

1. Curricular Planning and Implementation where the Academic activity calendar will be prepared by IQAC for the Annual and Semester patterns. 2. The IQAC will ensure that the Objectives of the curriculum are achieved by departments.

2. Curriculum Enrichment wherein the IQAC aims to ensure that Study tours, field visits, group discussions, and seminars are conducted in various departments. Gender sensitisation programmes have to be conceptualised and conducted to ensure gender sensitization amongst all the stakeholders in the Institute.

3. Feedback System The IQAC aims to regularly obtain the feedback from teachers, students, alumni, and Employers. Feedback will be analyzed and new initiatives will be introduced.

4. Teaching-Learning Process The Covid period has seen the orientation of the teaching learning process using ICT tools. The IQAC will ensure a process of blended teaching that seeks to amalgamate both the online and offline classroom teaching in an effective manner. The IQAC will also simultaneously upgrade its

website to facilitate effective teaching learning methods.
