15. Multidisciplinary / interdisciplinary

The College is implementing the necessary infrastructural facilities so as to accommodate the multidisciplinary and interdisciplinary programmes in view of the implementation of NEP. The College has organised online seminars on these aspects of NEP.

16. Academic bank of credits (ABC):

The College has implemented the necessary IT infrastructure and software for the Academic Bank of Credits for students with the start of NEP. The College has implemented DIGILOCKER App of the Government of India for the said purpose.

17. Skill development:

The College has an active Career Counselling Cell that engages with private organisations for informing, training and equipping the students towards job orientation. The College intends to implement Vocational Programmes on skill development as part of the future curriculum in the regular degree programs. The NEP programme has skill development as part of its regular curriculum. Various clubs on skill development as per UGC norms also have been initiated.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The College has a mission to integrate the rich heritage of our Knowledge system. Some of the present courses like courses on Indian literature and language in the subject disciplines of Bengali and Sanskrit as well as the course on Indian Philosophy are deeply entwined with the social and cultural aspects of Indian society. These courses are integrated into the curriculum. The College has also organised Yoga programme on International Yoga Day. The College has a future plan to enhance and integrate more such programmes in the near future that would imbibe the rich heritage of the Indian Knowledge system.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

Focus on Outcome-based Education (OBE): The College has transformed the existing curriculum on OBE platform as per the NAAC guidelines. The Course Outcomes are designed for all courses/programs being

taught in the College. The College has developed the teaching plan as per the OBE requirements. The CO/PO attainments are calculated as per the requirements on OBE philosophy i.e., emphasising on the students' ability to become knowledgeable and perform accordingly .

20.Distance education/online education:

The College has institutionalised online mode of curriculum delivery and examination system. The College has extensively used online platforms like Zoom, Google Meet and Webex for online education and the online system of education has been successfully integrated into the system. The institution has embedded the blended mode of teaching to cope with various climate vagaries especially intense heat waves to prevent the loss of teaching hours of students within the guidelines of the affiliating University of Burdwan. Further, faculty exchange programmes have been conducted with MoU Colleges through online mode to supplement the regular class programmes. The faculty also engages in the upload of marks in the University marks portal. This has become a continuing process. The offline mode of teaching learning has been structured to function harmoniously with the blended mode.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The institution has systematically implemented necessary measures to deliver the curriculum set by the University of Burdwan. For this purpose a meeting of the academic sub-committee is held in the beginning of the academic year. The teachers also make their plans in the departmental meetings that are held at regular intervals, and the assignments are also decided there. Classes are taken regularly following the class routines. For improving the excellence of the students, special group discussions and tutorial classes are arranged regularly. Attendance of the students are properly recorded and preserved in the attendance registers. On many occasions, the teachers employ power point presentations to make their lectures more interesting for the students. After the completion of an assignment, class tests are taken regularly. The learners who have practical-based subjects, are provided with practical classes regularly in laboratories. The departments meticulously keep the records of the teacher-student interface, teacher-parent interface and the additional activities such as the group discussions, student seminars conducted by the department. The institution has a vision to emerge as a centre of excellence as it has the required potential. Thus, it builds on a continuous effort to proceed towards its aspired goal..

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar of the College is prepared at the beginning of every academic session. The Calendar provides the students with an idea of a tentative time schedule of the internal and Semester-end examinations, NSS awareness programmes, NCC programmes, annual sports, cultural competition events etc. The Academic Calendar, in effect, serves as a schedule for important events as also it sets the time frame for due completion of the syllabus.

Continuous Internal Evaluation Process: Internal evaluation in the institution is transparent and robust which includes advanced mentoring, academic calendar, Grievance Redressal, uploading the

internal marks in the university portal. CIE includes the following:

1. Time table: Schedule for internal examinations is communicated to the students well in advance.

2. Syllabus: The syllabus for the internal examination is also communicated to the students in the classroom by subject teachers one week in advance.

3. Setting of question papers: The subject faculties set the question papers keeping the syllabi and University examination pattern in consideration. Question papers are submitted for typing much before the commencement of the internal assessments.

4. Communication of IA marks: Internal Assessment answer scripts are discussed with the students to identify the weak points. The marks are uploaded to the university portal..

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The Curriculum followed by the College is centrally designed by the affiliating University, University of Burdwan. The Course curriculum, in continuation with the UGC Guidelines, incorporates courses on crosscutting issues relevant to environment, gender and human values and sustainability. Besides, the College conducts a number of programmes on specific issues.

1. Gender: The Women's Cell and the Internal Complaints Committee of the College has been actively engaged in awareness campaigns and workshops on gender rights on a regular basis. This year's special focus was on sexual harassment and the legal remedies available in such cases. The anti-ragging cell sensitises both male and female students on proper conduct and respect for either sex.

2. Environment and Sustainability: The College has a sprawling green campus and the students, staff and faculty alike take a special interest in maintaining the green and serenity of the campus. The Eco-Club and Environmental Committee organizes environment awareness programmes on environmental pollution for students.

3. Human Values and Professional Ethics : All the national and international days of importance, cultural festivals are meticulously observed. Besides, motivational seminars on unsung heroes in India's freedom movement and world peace are also organised. College has also organised SVEEP for young voters.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The College adopts a sustained mechanism for identifying and supporting slow and advanced learners from amongst the students.

Identification of Advanced and Slow learners: To identify advanced and slow learners, teachers conduct student interaction programmes in each department. The students are introduced to teaching, learning and evaluation program, college discipline, various academic and other schemes along with development and achievements of the College, students' support services. The slow and advanced learners are identified amongst the students through class-room discussion, question and answer method, by considering their subject knowledge and previous year's performance, To enhance the performance of the slow learners, department teachers often take personalized care of such students. Extra coaching is provided in respective subjects. Class tests are conducted based on previous year question papers. Problem solving sessions and additional tutorials are conducted for such students, The major objective of this program is to make them competent and self confident to face the exams and reduce the drop out ratio.

Support to advanced learners: The students are motivated to read advanced reference books, by providing additional library facilities from departmental libraries. They are given special guidance to perform better in the future. Study materials are also provided on College website.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

For enhancing learning experiences the faculty members adopt many methods, for example, lecture method, interactive method, project and field work method, computer-assisted method, experiment method etc Teaching and learning activities are made effective by these practices. Many teachers use the conventional black-board presentation methods.

ICT based learning: The academic session during the Covid period had institutionalised the use of online platforms like Google Meet, Zoom and the like to conduct online classes. All these platforms have been continued alongwith offline classes. The use of hybrid mode of teaching has made the classes interactive, where students can freely voice their thoughts and conceptions over online platforms. Teachers also use power point presentations and computer based study materials to make their lectures effective. Ample opportunities are provided to students to engage in online student seminars, interactive assessment programmes. The institution has adopted this modern pedagogy to enhance teaching learning process. Teachers and students engageactively in intense classroom discussions.

Student Seminars: Student seminars are organized where the seminar papers are presented by students on contemporary topics to enrich their learning experience

. Field study and Project work: Students are encouraged to undertake field study and submit projects where the course work so desires.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT tools empower both teachers and learners. They transform the teaching and learning processes from being highly teacher dominated to becoming student-centric and this transformation results in increased learning gains for students, creating and allowing for opportunities for learners.

Online platforms: The teachers of the College employ ICT tools such as power point presentations to make the lectures more interesting to the students. The College has set up smart classrooms that employ ICT tools like LCD projector, white screen and board, sound system. The requisite softwares are used to introduce innovative teaching in classes.

Hybrid mode: Some of the classes are held through hybrid mode, with an innovative mix of both online and offline classes. The online classes are scheduled through online classroom platforms mainly Zoom and Google Meet with the help of a regular class routine. Study materials are uploaded on the College website and subject specific WhatsApp groups.

Results of Internal assessments of the College and some of the papers in the final University examination are provided through the College email and uploaded on the University portal by teachers.

LMS for library access: The teachers encourage the students to use LMS for accessing relevant books and references.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The College tries to maintain transparency in internal assessment. In order to ensure transparency in internal assessment, the system of internal assessment is communicated to the students well in time. Students who are admitted to the concerned course are assessed continuously through various evaluation processes in the College.

Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visit / Field Work and Seminar Presentations.

Internal assessment tests are conducted regularly as per the schedule given in the academic calendar.

Personal guidance is given to the poor performing students after their assessment. For transparent and robust internal assessment, the College has institutionalised the following mechanisms: Internal Examinations are conducted by the Academic Committee that is represented by all the Heads of Departments and the IQAC Coordinator.

Question Paper Setting: During this session the internal assessments were done through online and offline mode in Google Forms and online students' seminars. The assessments were conducted at frequent intervals to keep the students actively engaged in their academic work.

Online and offline students' seminars were conducted to provide an easy access to effective evaluation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Internal Examination related grievances are dealt with at the institutional level.

Departmental initiatives: The faculty members inform the students at the beginning of the session about the components and pattern of internal examinations. These follow the broad guidelines of the University examinations.

Assessment within time frame: The internal examinations are conducted within the specified time frame schedule provided in the academic calendar. The answer scripts are timely evaluated and the marks displayed to the students.

Well structured process: The process is well structured, time bound and transparent. In the event of grievances, the students are given ample opportunities to discuss with their departmental faculties and corresponding efforts are made by the concerned teachers to effectively redress such grievances. The College has effectively combined the online mode of examination through Google Forms with the offline mode.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The details of the Course Programmes are framed according to the stated curriculum programmes of the affiliated University. SRSVM is affiliated to the University of Burdwan and the Programmes and courses under the Programmes are decided by the BOS of the University. The College has very little autonomy to frame Programmes and related courses. However, the College makes optimum utilization

of resources within the scope for limited maneuverability to imbibe the students with skills on communication, presentation and effective delivery in competitive examinations. The mission and vision of the College is in sync with the basic criterion of equipping the students to face the challenges in real time with confidence. Every Department of the College is provided with a hard copy of the syllabus that is deliberated upon in the student teacher meetings to evaluate the course outcomes of the topics. Students are also made aware of possible outcomes upon finishing the course..

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The faculty records the performance of each student with the help of the specified course outcomes through a continuous evaluation process. Some of the key indicators of measuring attainment are:

1. End Semester University Examination: The students are required to take examinations as per the semester pattern set by the University, through which the institution measures programme outcomes based on the course attainment level fixed by the programme.
2. Internal Assessment: The students are given assignments, class tests and students' seminars which are designed in alignment with Programme Outcomes of the respective subject.
3. Practical Assessment/ External Assessment: It is evaluated by inviting external experts appointed by the University to evaluate each student by conducting Practical examinations. The attainment of programme outcomes and course outcomes are judged by the benchmark of students progressing into higher education. A number of our students enter into the PG courses after successful completion of their undergraduate degree courses. Some of them achieve successes in clearing GATE, SET, NET. The students of the Institution also pursue professional courses like law, BEd. Some enter the defence forces as also police and administrative jobs.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College has been actively involved in extension programmes. The NCC and NSS wings of the College have been actively engaged in green efforts through tree plantations and spreading awareness regarding clean and green environment. This has been a continuing process. The NSS and the Eco-Club of the College took a special initiative in spreading awareness about the detrimental uses of plastic bags. International Plastic Bag Free Day was observed by the students with a shop to shop campaign in the local community about the harmful effects of using plastic bags. Alternative cloth bags were distributed free of cost to raise awareness amongst the traders and consumers alike.

The faculty members of the Departments of Physics, Chemistry and Mathematics undertook special programmes in teaching under-privileged girl students in the nearby residential school located

at Joyrambati. Special Classes at the Sarada Kanya Vidyapith managed by Sri Ramkrishna Vivekananda Mission were conducted by Dr. Kanika Mandal, Dr. Subha Samanta and Dr. Ishani Das of the College.

The students of the Department of Physical Education were deputed by the College to manage the Annual Sports of Pukuria Sureshchandre High School in the neighbouring community that was greatly appreciated by the concerned school authorities.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The session 2023-2024 saw the regular functioning of on campus activities in the College after a long Covid period. The IQAC took special initiatives in addressing every aspect of quality assurance through meetings and coordination with the statutory bodies like the Governing Body and the Teachers' Council as also the administration for implementing the quality initiatives. Some of the activities of the IQAC during this period was:

Regular interactions with the various departments, both Arts and Science streams, to address departmental problems and focus on measures to enhance teaching learning methods.

The IQAC takes the initiative to conduct a holistic campus supervision that includes cleanliness, interactions with the eco club, tree plantation activities, maintenance of the gardens, infrastructure augmentation and the like.

IQAC has taken a major initiative in encouraging the use of ICT in teaching learning mode especially with the introduction of ICT classes in the regular routine.

The career enhancement of both teaching and non-teaching staff has been one of the priorities of the IQAC. Three teachers and the Librarian could undertake their promotions under CAS.

IQAC made efforts at executing functional MoUs with neighbouring Colleges and organisations. The MoUs facilitated faculty exchange programmes.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Two Best Practices

Gender Equity: The College has been consistently focusing on gender equity and the College administration has followed all the protocols and necessary measures in upholding this goal. All the scholarship schemes, both government and non government, allocated for the young women entrants in higher education are provided by the institution. The College also organises several programmes, in a sustained manner, for creating awareness and empowerment amongst the young women students. All the Cells play an active role in this effort, especially, the Women's Cell, the Internal Complaints Committee and Anti-ragging Cell.

Clean and Green Environment, both inside the Campus and surrounding areas: The College has a well maintained sprawling green campus and several gardens that are maintained by the Departments of the College. The Environmental Committee and the eco-club, Sabuj Sundar, conducts green programmes and awareness campaigns on environment conservation through students' participation in such activities both inside the College and the neighbouring areas..

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Sri Ramkrishna Sarada Vidya Mahapitha has been a pivot in spreading higher education amongst the young minds, many of whom belong to the most disadvantaged social and economic sections of the community. In the year 2023-2024, the percentage of reserved category students was 40% of the total intake capacity. The Institution provides quality education with the lowest fee structure among the colleges in the vicinity. The Institution provides the most conducive environment for educating the young girls of the surrounding blocks. This was also the vision of the luminary who founded the College, Sri Bimalakanta Mukherjee. The attainment of this vision is amply reflected in the percentage of female students among the admitted students in the said academic year, that is 53%. The College tries to strike an effective balance between academics and holistic development of the students' personalities. The College has been actively engaged in organising workshops and seminars for orienting the students in augmenting their analytical and technical skills. The MoUs between the College and various other institutions and organisations have sought to augment the skill set of students.

The College has an e-newsletter, Elysium, showcasing the overall achievements of the College and serving as a platform for student and teacher achievers.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The institution has systematically implemented necessary measures to deliver the curriculum set by the University of Burdwan. For this purpose a meeting of the academic sub-committee is held in the beginning of the academic year. The teachers also make their plans in the departmental meetings that are held at regular intervals, and the assignments are also decided there. Classes are taken regularly following the class routines. For improving the excellence of the students, special group discussions and tutorial classes are arranged regularly. Attendance of the students are properly recorded and preserved in the attendance registers. On many occasions, the teachers employ power point presentations to make their lectures more interesting for the students. After the completion of an assignment, class tests are taken regularly. The learners who have practical-based subjects, are provided with practical classes regularly in laboratories. The departments meticulously keep the records of the teacher-student interface, teacher-parent interface and the additional activities such as the group discussions, student seminars conducted by the department. The institution has a vision to emerge as a centre of excellence as it has the required potential. Thus, it builds on a continuous effort to proceed towards its aspired goal..

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The Academic Calendar of the College is prepared at the beginning of every academic session. The Calendar provides the students with an idea of a tentative time schedule of the internal and Semester-end examinations, NSS awareness programmes, NCC programmes, annual sports, cultural competition events etc. The Academic Calendar, in effect, serves as a schedule for important

events as also it sets the time frame for due completion of the syllabus.

Continuous Internal Evaluation Process: Internal evaluation in the institution is transparent and robust which includes advanced mentoring, academic calendar, Grievance Redressal, uploading the internal marks in the university portal. CIE includes the following:

1. **Time table:** Schedule for internal examinations is communicated to the students well in advance.

2. **Syllabus:** The syllabus for the internal examination is also communicated to the students in the classroom by subject teachers one week in advance.

3. **Setting of question papers:** The subject faculties set the question papers keeping the syllabi and University examination pattern in consideration. Question papers are submitted for typing much before the commencement of the internal assessments.

4. **Communication of IA marks:** Internal Assessment answer scripts are discussed with the students to identify the weak points. The marks are uploaded to the university portal..

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The Curriculum followed by the College is centrally designed by the affiliating University, University of Burdwan. The Course curriculum, in continuation with the UGC Guidelines, incorporates courses on crosscutting issues relevant to environment, gender and human values and sustainability. Besides, the College conducts a number of programmes on specific issues.

1. Gender: The Women's Cell and the Internal Complaints Committee of the College has been actively engaged in awareness campaigns and workshops on gender rights on a regular basis. This year's special focus was on sexual harassment and the legal remedies available in such cases. The anti-ragging cell sensitises both male and female students on proper conduct and respect for either sex.

2. Environment and Sustainability: The College has a sprawling green campus and the students, staff and faculty alike take a special interest in maintaining the green and serenity of the campus. The Eco-Club and Environmental Committee organizes environment awareness programmes on environmental pollution for students.

3. Human Values and Professional Ethics : All the national and international days of importance, cultural festivals are meticulously observed. Besides, motivational seminars on unsung heroes in India's freedom movement and world peace are also organised. College has also organised SVEEP for young voters.

| 2.2 - Catering to Student Diversity | |
| 2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners | |
| <p>The College adopts a sustained mechanism for identifying and supporting slow and advanced learners from amongst the students.</p> <p>Identification of Advanced and Slow learners: To identify advanced and slow learners, teachers conduct student interaction programmes in each department. The students are introduced to teaching, learning and evaluation program, college discipline, various academic and other schemes along with development and achievements of the College, students' support services. The slow and advanced learners are identified amongst the students through class-room discussion, question and answer method, by considering their subject knowledge and previous year's performance, To enhance the performance of the slow learners, department teachers often take personalized care of such students. Extra coaching is provided in respective subjects. Class tests are conducted based on previous year question papers. Problem solving sessions and additional tutorials are conducted for such students, The major objective of this program is to make them competent and self confident to face the exams and reduce the drop out ratio.</p> <p>Support to advanced learners: The students are motivated to read advanced reference books, by providing additional library facilities from departmental libraries. They are given special guidance to perform better in the future. Study materials are also provided on College website.</p> | |

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

For enhancing learning experiences the faculty members adopt many methods, for example, lecture method, interactive method, project and field work method, computer-assisted method, experiment method etc Teaching and learning activities are made effective by these practices. Many teachers use the conventional black-board presentation methods.

ICT based learning: The academic session during the Covid period had institutionalised the use of online platforms like Google Meet, Zoom and the like to conduct online classes. All these platforms have been continued alongwith offline classes. The use of hybrid mode of teaching has made the classes interactive, where students can freely voice their thoughts and conceptions over online platforms. Teachers also use power point presentations and computer based study materials to make their lectures effective. Ample opportunities are provided to students to engage in online student seminars, interactive assessment programmes. The institution has adopted this modern pedagogy to enhance teaching learning process. Teachers and students engageactively in intense classroom discussions.

Student Seminars: Student seminars are organized where the seminar papers are presented by students on contemporary topics to enrich their learning experience

. Field study and Project work: Students are encouraged to undertake field study and submit projects where the course work so desires.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT tools empower both teachers and learners. They transform the teaching and learning processes from being highly teacher dominated to becoming student-centric and this transformation results in increased learning gains for students, creating and allowing for opportunities for learners.

Online platforms: The teachers of the College employ ICT tools such as power point presentations to make the lectures more interesting to the students. The College has set up smart classrooms that employ ICT tools like LCD projector, white screen and board, sound system. The requisite softwares are used to introduce innovative teaching in classes.

Hybrid mode: Some of the classes are held through hybrid mode, with an innovative mix of both online and offline classes. The online classes are scheduled through online classroom platforms mainly Zoom and Google Meet with the help of a regular class routine. Study materials are uploaded on the College website and subject specific WhatsApp groups.

Results of Internal assessments of the College and some of the papers in the final University examination are provided through the College email and uploaded on the University portal by teachers.

LMS for library access: The teachers encourage the students to use LMS for accessing relevant books and references.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The College tries to maintain transparency in internal assessment. In order to ensure transparency in internal assessment, the system of internal assessment is communicated to the students well in time. Students who are admitted to the concerned course are assessed continuously through various evaluation processes in the College.

Continuous evaluation is made through Group Discussion, Unit Tests, Assignments Submission, Field Visit / Field Work and Seminar Presentations.

Internal assessment tests are conducted regularly as per the schedule given in the academic calendar.

Personal guidance is given to the poor performing students after their assessment. For transparent and robust internal assessment, the College has institutionalised the following mechanisms: Internal Examinations are conducted by the Academic Committee

that is represented by all the Heads of Departments and the IQAC Coordinator.

Question Paper Setting: During this session the internal assessments were done through online and offline mode in Google Forms and online students' seminars. The assessments were conducted at frequent intervals to keep the students actively engaged in their academic work.

Online and offline students' seminars were conducted to provide an easy access to effective evaluation.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

Internal Examination related grievances are dealt with at the institutional level.

Departmental initiatives: The faculty members inform the students at the beginning of the session about the components and pattern of internal examinations. These follow the broad guidelines of the University examinations.

Assessment within time frame: The internal examinations are conducted within the specified time frame schedule provided in the academic calendar. The answer scripts are timely evaluated and the marks displayed to the students.

Well structured process: The process is well structured, time bound and transparent. In the event of grievances, the students are given ample opportunities to discuss with their departmental faculties and corresponding efforts are made by the concerned teachers to effectively redress such grievances. The College has effectively combined the online mode of examination through Google Forms with the offline mode.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The details of the Course Programmes are framed according to the stated curriculum programmes of the affiliated University. SRSVM is affiliated to the University of Burdwan and the Programmes and courses under the Programmes are decided by the BOS of the University. The College has very little autonomy to frame Programmes and related courses. However, the College makes optimum utilization of resources within the scope for limited maneuverability to imbibe the students with skills on communication, presentation and effective delivery in competitive examinations. The mission and vision of the College is in sync with the basic criterion of equipping the students to face the challenges in real time with confidence. Every Department of the College is provided with a hard copy of the syllabus that is deliberated upon in the student teacher meetings to evaluate the course outcomes of the topics. Students are also made aware of possible outcomes upon finishing the course..

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The faculty records the performance of each student with the help of the specified course outcomes through a continuous evaluation process. Some of the key indicators of measuring attainment are: 1. End Semester University Examination: The students are required to take examinations as per the semester pattern set by the University, through which the institution measures programme

outcomes based on the course attainment level fixed by the programme. 2. Internal Assessment: The students are given assignments, class tests and students' seminars which are designed in alignment with Programme Outcomes of the respective subject. 3. Practical Assessment/ External Assessment: It is evaluated by inviting external experts appointed by the University to evaluate each student by conducting Practical examinations. The attainment of programme outcomes and course outcomes are judged by the benchmark of students progressing into higher education. A number of our students enter into the PG courses after successful completion of their undergraduate degree courses. Some of them achieve successes in clearing GATE, SET, NET. The students of the Institution also pursue professional courses like law, BEd. Some enter the defence forces as also police and administrative jobs.

3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The College has been actively involved in extension programmes. The NCC and NSS wings of the College have been actively engaged

in green efforts through tree plantations and spreading awareness regarding clean and green environment. This has been a continuing process. The NSS and the Eco-Club of the College took a special initiative in spreading awareness about the detrimental uses of plastic bags. International Plastic Bag Free Day was observed by the students with a shop to shop campaign in the local community about the harmful effects of using plastic bags. Alternative cloth bags were distributed free of cost to raise awareness amongst the traders and consumers alike.

The faculty members of the Departments of Physics, Chemistry and Mathematics undertook special programmes in teaching under-privileged girl students in the nearby residential school located at Joyrambati. Special Classes at the Sarada Kanya Vidyapith managed by Sri Ramkrishna Vivekananda Mission were conducted by Dr. Kanika Mandal, Dr. Subha Samanta and Dr. Ishani Das of the College.

The students of the Department of Physical Education were deputed by the College to manage the Annual Sports of Pukuria Sureshchandre High School in the neighbouring community that was greatly appreciated by the concerned school authorities.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Our College is committed to the cause of empowerment of young boys and girls through access to higher education, enabling them to develop as intellectually alive, socially responsible citizens, ever ready for continuous personal and professional growth. The mission is to inculcate social, moral and spiritual values among the students. Students have secured position of merit in the university examinations. The college aims towards providing quality education without any discrimination - social, cultural, religious or economic- and inculcating within the youth human values, ideologies and principles with an aim of developing a better nation. With this vision the management and the leadership of the head of the Institution have worked towards providing infrastructure congenial to the learning atmosphere. In sync with the changing pedagogical methods, the departmental faculties are actively encouraged by the head of the Institution and the Governing body to adopt the use of ICT with the induction of online teaching through Google Meet and other resources for students, especially, study materials and power point presentations. Teachers and office staff are encouraged to update their teaching and administrative skills through a process of

upgradation through FDPs and administrative training programmes respectively.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institution has a mechanism for delegating authority and providing operational autonomy to all the various functionaries to work towards decentralized governance system. Administration of the college is characterised by decentralisation of power and responsibilities through different sub-committees. Performance appraisal of the staff, both teaching and non-teaching, is a regular practice of the college. The Governing body delegates all the academic and operational decisions based on policy to the Academic Committee headed by the Principal in order to fulfil the vision and mission of the College. Academic Committee formulates common working procedures and entrusts the implementation to the faculty members. Faculty members are members of various committees/cells and allowed to conduct various programs to showcase their abilities. They are encouraged to develop leadership skills by being in charge of various academic, cocurricular, and extracurricular activities.

- Students are empowered to play an active role as coordinator of co-curricular and extra-curricular activities, social service group (NSS and NCC) coordinator.
- Cultural Committee is empowered and takes an active role in organising the cultural events in the College.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The session 2023-2024 saw the regular functioning of on campus activities in the College after a long Covid period. The IQAC took special initiatives in addressing every aspect of quality assurance through meetings and coordination with the statutory bodies like the Governing Body and the Teachers' Council as also the administration for implementing the quality initiatives. Some of the activities of the IQAC during this period was:

Regular interactions with the various departments, both Arts and Science streams, to address departmental problems and focus on measures to enhance teaching learning methods.

The IQAC takes the initiative to conduct a holistic campus supervision that includes cleanliness, interactions with the eco club, tree plantation activities, maintenance of the gardens, infrastructure augmentation and the like.

IQAC has taken a major initiative in encouraging the use of ICT in teaching learning mode especially with the introduction of ICT classes in the regular routine.

The career enhancement of both teaching and non-teaching staff has been one of the priorities of the IQAC. Three teachers and the Librarian could undertake their promotions under CAS.

IQAC made efforts at executing functional MoUs with neighbouring Colleges and organisations. The MoUs facilitated faculty exchange programmes.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Two Best Practices

Gender Equity: The College has been consistently focusing on gender equity and the College administration has followed all the protocols and necessary measures in upholding this goal. All the scholarship schemes, both government and non government, allocated for the young women entrants in higher education are provided by the institution. The College also organises several programmes, in a sustained manner, for creating awareness and empowerment amongst the young women students. All the Cells play an active role in this effort, especially, the Women's Cell, the Internal Complaints Committee and Anti-ragging Cell.

Clean and Green Environment, both inside the Campus and surrounding areas:The College has a well maintained sprawling green campus and several gardens that are maintained by the Departments of the College. The Environmental Committee and the eco-club, Sabuj Sundar, conducts green programmes and awareness campaigns on environment conservation through students' participation in such activities both inside the College and the neighbouring areas..

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Sri Ramkrishna Sarada Vidya Mahapitha has been a pivot in spreading higher education amongst the young minds, many of whom belong to the most disadvantaged social and economic sections of the community. In the year 2023-2024, the percentage of reserved category students was 40% of the total intake capacity. The Institution provides quality education with the lowest fee structure among the colleges in the vicinity. The Institution provides the most conducive environment for educating the young girls of the surrounding blocks. This was also the vision of the luminary who founded the College, Sri Bimalakanta Mukherjee. The attainment of this vision is amply reflected in the percentage of female students among the admitted students in the said academic year, that is 53%. The College tries to strike an effective balance between academics and holistic development of the students' personalities. The College has been actively engaged in organising workshops and seminars for orienting the students in augmenting their analytical and technical skills. The MoUs between the College and various other institutions and organisations have sought to augment the skill set of students.

The College has an e-newsletter, Elysium, showcasing the overall achievements of the College and serving as a platform for student and teacher achievers.
