B. Joint sponsored Development and Consulting

- SRSVM and KKMM agree to invite faculty members from the other institution to participate in development programmes of mutual interest. It is anticipated that the terms and conditions for such participation would be worked out by mutual agreement between the faculty member(s) and the institution extending such an invitation.
- Further, SRSVM and RRR agree to jointly identify and pursue opportunities for formulation and submission of training programmes for possible funding by State or Central agencies, if needed.
- It is foreseen that when a faculty member visits a partner institution on invitation, such a visit will be subject to the regulations of the individual partner institution.

C. Exchange of Faculty

SRSVM and KKMM agree to explore ways of encouraging collaboration between faculties from the two institutions. Specifically, the two institutions would encourage members of their faculty to undertake short visits or take up fixed term assignments on visiting faculty.

D. Students Exchange

SRSVM and KKMM agree to discuss the means for enabling the exchange of students between two institutions. Each exchanged student would be selected by mutual agreement and in accordance to the regulations of the partner institutions.

E. Tenure and Termination

This MoU will take effect from the date it is signed by Principal of the two institutions. It will remain valid for a period of five years. This MoU will be reviewed after three years; the terms of this MoU may be amended by mutual written agreement prior to the date of review. Any extension to this MoU will be formally approved in writing by the parties. Either institution may terminate the MoU by giving written notice to the other institution six months in advance. Once terminated, neither SRSVM nor RRR will be responsible for any losses, financial or otherwise, which the other institutions may suffer. However, SRSVM and KKMM will ensure that all activities in progress are allowed to complete successfully.
